## Novena Prayer to Saint Joseph for our Parish Room

Dear Saint Joseph you were the one chosen from all mankind to teach the Son of God how to receive a father's love, so that as the Word made Flesh, he could proclaim to the whole world the unconditional

love of our heavenly Father.

As the foster father of the child Jesus you were commissioned by God to provide for his material needs. We ask now your intercession to obtain for us from God all the provision and guidance we need in order to build our Parish Room. Enable us to accept with gratitude whatever God provides. Amen.

***St Joseph most chaste,  
pray for us.***
